'SPEED POST'

Subject: Revised procedure for students to file online Anti Ragging Affidavit.

Dear Madam/Sir,

As you are aware, in pursuance to the Judgment of the Hon'ble Supreme Court of India dated 8.5.2009 in Civil Appeal No. 887/2009, the UGC notified "Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009" and in compliance of the 2nd Amendment in UGC Regulations, it is compulsory for each student and his/her parent/Guardian to submit an online undertaking each academic year at either of the two designated web sites, namely, **www.antiragging.in** and **www.amanmovement.org**.

As part of UGC's initiative towards reduction of compliance burden of its stakeholders, UGC has revised the procedure for students to file online Anti Ragging Affidavit.

The revised procedure is as follows:

Step 1: A student will submit his/her details on the same web sites (**www.antiragging.in** and **www.amanmovement.org**) as before; read and confirm that he/she and his/her parents/Guardians have read and understood the regulations on curbing the menace of ragging. He/She will confirm & agree that he/she will not engage in ragging in any form. (Step 1 is the same like before).

Step 2: The student will receive an E MAIL with his/her registration number and a web link. The student will forward the link to the E mail of the Nodal officer in his/her university/college. (**Please note that the student will not receive pdf affidavits and he/she is not required to print & sign it as used to be the case earlier**).

Step 3: The Nodal Officer in the university/college can click on the link of any forwarded e mails that he/she will receive from any student of his/her college to get the list of those students who have submitted Anti Ragging Affidavits/Undertakings in his/her college. The list will be updated every 24 hours.

Annual Report

2021-2022

Committee meeting held at principal chamber to discuss the requirement for making the campus ragging free.

The rapid shift between offline and online mode of communication have brought a great change in the academic atmosphere.

Even though the first-year classes are smoothly channeling via online platforms it is necessary to prepare the campus to welcome them. Though there is no practice of ragging reported in the college yet, it is necessary to give proper awareness for their senior student regarding their legal side of ragging. The College implemented the rules and regulation in the notice board and official platform.
