ANNUAL REPORT (2022-2023)

The 2022-2023 academic year at Sahya Arts and Science College draws to a close, marked by the grace of the Almighty guiding us through every step. Our institution, under the ownership and management of the Sahya Cooperative Society Ltd (Reg No.M862), is dedicated to excellence in education, aiming to lead in nurturing and fostering academic eminence. Established in 2013, the college swiftly affiliated with the University of Calicut.

OUR VISION

- To become an exemplary institution that delivers intellectual and academic rewards

OUR MISSION

- Ensuring delivery of high-quality education, fostering intellectual growth among our students
- Creating a nurturing and inclusive community, where students, faculty and staff provide a supportive network for academic and personal development
- Embrace lifelong learning and staying abreast of evolving knowledge and skills in an ever-changing world.

COURSES OFFERED

The college provides a diverse range of 11 affiliated courses, including BA English, BA Economics, BSc Chemistry, BSc Psychology, B.Sc Geology, BBA, BCom Computer, BCom Co-operation, BCom Finance, MCom Finance, and MSc Psychology. Additionally, it offers various Add-on courses across different disciplines.

STAFF & STUDENTS

The effectiveness of an educational institution hinges on the synergy between its teachers and students. At Sahya Arts and Science College, our faculty consists of highly qualified, knowledgeable, and compassionate educators who are passionate about imparting their subject expertise to our students. We are fortunate to have a team of teachers who are always eager to innovate and adapt to new challenges, ensuring that they bring out the best in their

PARENT TEACHER ASSOCIATION

On November 23rd, 2022, the Parent-Teacher Association convened, fostering an essential dialogue between parents and educators. Parents shared valuable feedback and suggestions, while teachers reciprocated by showcasing the academic progress and improvements made by the students.

The PTA serves as a cohesive unit, comprising individuals dedicated to enhancing student welfare and academic achievement. Their collaborative efforts contribute significantly to the holistic development of our students. We extend our heartfelt gratitude and congratulations to the PTA for their unwavering support and cooperation.

ACADEMIC PERFORMANCE

Competitions and academic activities play a crucial role in cultivating a healthy and competitive spirit among students. These activities are organized across various levels, including classroom, college, and intercollegiate stages. Examples of such activities include essay writing, patriotic singing, elocution, public speaking, letter writing, drawing, and photography contests, among others.

EXAMINATION AND RESULTS

To assess students' educational progress, a variety of evaluations were implemented, including examinations, seminar presentations, assignment work, and project assessments. After each model examination, PTA meetings were organized, allowing the class teacher to meet individually with parents and students to discuss strategies for improving academic performance. Each department also conducted motivation classes, seminars, and training programs tailored to current needs. As a result, our students consistently achieve excellent results in University examinations.

ACADEMIC PERFORMANCE OF STUDENTS

The college consistently achieves commendable results in the university examinations. I would like to extend my congratulations to the students who will be receiving awards for their academic excellence.

4. PG DEPARTMENT OF PSYCHOLOGY

The Department of Psychology of Sahya Arts and Science College, Wandoor presents its annual report of 2022-2023. It highlights advancements in research, educational programs, and community engagement. Notable achievements include groundbreaking studies, faculty publications, and the department's commitment to fostering a dynamic learning environment. The report also outlines collaborative initiatives and contributions to the field, emphasizing the department's ongoing dedication to excellence in psychological research and education.

It showcases student-led research projects, participation in conferences, and impactful community outreach efforts. The report emphasizes the department's commitment to nurturing student growth, fostering a vibrant learning community, and preparing graduates for meaningful careers in psychology. Student achievements in academics, extracurricular activities, and community involvement are highlighted, showcasing the diverse and impactful contributions made by students throughout the year.

Activities of the Department

- **Psychology Webinar series program Report**

The Psychology Today and New Realms webinar Series -1 conducted by the PG Department of Psychology at Sahya Arts and Science College in association with IQAC was held on June 11,2022 at 3 PM to 4 PM through Google meet. Mrs. Vineetha (Assistant professor in psychology) delivered the welcome speech and emphasizing the importance of webinar series. Dr. Soumya Varghese (HOD of Psychology) and Mr. Arshad Aman (Assistant professor in psychology) led an insightful online session related to importance and relevance of psychology in contemporary world. The end of the programme Jinsiya. P (Class representative) delivered vote of thanks.

- **Workshop**

The PG department of Sahya arts and science college, wandoor, conducted a workshop in Association with IOAC held the workshop for the BSc psychology student on August 10, At 10:30 AM to 12PM, at college auditorium. The

The program was started at 9:30 am onwards in which welcome speech was delivered by Nihala sherin, further the sessions were taken by Nourin, Nafiya (3rd year Bsc Psychology students).

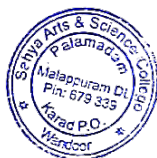

5. DEPARTMENT OF CHEMISTRY

The Graduate Department of Chemistry at Sahya arts and science College was established in the academic year 2016-17 with 25 students. The scope and vision of chemistry encompass understanding the composition, structure, properties, and transformations of matter. Its scope ranges from the microscopic world of atoms and molecules to the macroscopic world of materials and substances.

Chemists seek to uncover the fundamental principles governing chemical reactions and use this knowledge to address societal challenges, such as developing new materials, medicines, energy sources, and environmental solutions. The vision of chemistry involves leveraging advancements in technology, collaboration, and interdisciplinary approaches to drive innovation and improve the quality of life for current and future generations.

With a deep sense of contentment and gratitude to the God Almighty for showering his abundant blessings upon all the department endeavours, we present the Seventh annual report of the Department for the academic year 2022-2023. We are happy to present the achievements and the progress we have made during the last year to improve our academic offerings and students' learning experiences. Concisely, it was a year filled with lot many new threats, challenges and opportunities in its real sense.

Activities of the Department

• Career Guidance Classes

Department of Chemistry conducted Career guidance classes on 31/1/2023 for final year B.Sc. Chemistry students. Shabnam, Assistant Professor, Dept of Chemistry, handled the session. Faculty talked about different Universities for M. Sc. Chemistry course and different job facilities available after BSc and MSc chemistry. She mentioned about different PSC examinations for the post of pollution control board officer, Assistant scientist in the pollution control board, Diary farm instructor, legal meteorology officer etc. The session was informative and useful for the students.

• PG Entrance Supportive Classes

Department of Chemistry conducted PG entrance supportive classes on 28/11/2022 for final year B. Sc. Chemistry students. Arunima.K.V, Assistant Professor, Dept of Chemistry, handled the session. Faculty talked about different Universities for M. Sc. Chemistry course and the different PG entrance examinations. The method of preparation for PG entrance examinations was discussed and gave classes about some selected topics. The session was informative and useful for the students.

• Home Visit Report

As part of the PTA NOV 2022 action plan, the Department of Bsc. CHEMISTRY visited Ms. AFIYA SALMA'S home on November 1th to get to know her family. Ms.AFIYA SALMA is an 51B.SC Chemistry student of 2022-2025 batch. The purpose of the visit was to give an idea about job opportunities of the course and also demonstrate the educators' commitment to going above and beyond to serve students and their families by making the effort to meet with families outside the college setting.

- **Study Tour**

The Final year BSc Chemistry students undergone a tour programme to Wonderla Amusement Park at Ernakulam on 8th and 9th of February 2023. 2 day tour started on 8/02/2023. Ms. Shabnam, Assistant professor, Department of Chemistry and Mr. Anshab.C., Assistant professor, P.G. Department of Commerce accompanied the students.

- **Industrial Visit**

The Department of Chemistry Conducted an Industrial visit. The final year BSc. Chemistry students visited Solar Observatory, Kodaikanal, on 26 th August 2022. Ms. Shabnam, Assistant professor, Department of Chemistry and Mr. Anoop Krishnan, Assistant professor, Department of English accompanied the students.

- **Independence Day Observation**

Department of Chemistry celebrated Independence Day on 15th August 2022 by generating tricolors using chemicals. All students of final year B. Sc. Chemistry participated in the experiment. The event was exhibited throughout the college campus.

- **Add On Course**

The Department of Chemistry Conducted add-on course for the Second year B.Sc. Chemistry students on the topic "Lab instruction and Assistance". Ms. Shabnam, Assistant professor, Department of Chemistry, Ms. Shamma Kallai, Assistant professor, Department of Physics and Riffin T. Sajeev, Assistant professor, Department of Geology Coordinated the Course.

- **Science Day Observance**

Department of Chemistry and Science Club in association with IQAC conducted Science Day observance -2023. As part of this, a quiz competition was conducted by Science Club and Chemistry Department in association with IQAC on 1st

March 2023, Wednesday at 11.30 pm. Students from different departments were participated. Competition was conducted as group wise, in which each group contained two students. Group D of Afiya Salma (S2 Chemistry) and Poornima (S2 Geology) won first place. Group B of Shibila Sherin (second year MSc. Psychology) and Hiba Nasreen M. A (second year MSc. Psychology) won second place. Group F of Mohemmed Niyaz M (S4 Chemistry) and Muhammed Thwaha V. P(s4 Chemistry) won third place.

6. DEPARTMENT OF GEOLOGY

As stewards of geological knowledge and innovation, our department is dedicated to advancing research, education, and community engagement in the field of geology. Over the past year, our distinguished faculty members have led initiatives across various geological disciplines. From pioneering new discoveries in mineralogy to investigating the effects of climate change on geological processes, we are committed to offering exceptional educational experiences to our students, equipping them with the skills and knowledge needed to excel in the dynamic world of geoscience. Through immersive field experiences, rigorous coursework, and mentorship opportunities, we prepare our students to become future leaders and innovators in geology.

In addition, our department is deeply committed to fostering collaboration and engagement within our community. We aim to share our passion for geology and enhance scientific literacy among people of all backgrounds. Looking ahead, we are excited to build on our achievements and continue making significant contributions to the field of geology, driven by our dedication to excellence, innovation, and service.

The Department of Geology aims to encourage and motivate its students to pursue a Career in the field of Geology. The department always strives to create a problem solving mentality within its students to help them achieve their goals.

ACTIVITIES OF THE DEPARTMENT

- **Home Visit**

The department faculty decided to conduct home visits to students' houses to better understand their academic status and quality of life. Mr. Arshak PK, an Assistant Professor of Geology at SASC, took the initiative to visit Mr. Ajmal K's house and inquire about his academic progress and personal well-being. This program received overwhelmingly positive feedback, as it allowed teachers to connect with students on a more personal level and foster a friendly, supportive environment. By bridging the gap between home and school, the initiative aimed to enhance student-teacher relationships and improve the overall educational experience

- **Field Trip to Kavalappara**

The Department of Geology organized a field trip to Kavalappara to study the effects of the recent landslide in the area. Students spent the entire day at the calamity site, meticulously analyzing geological patterns and the impact of the landslide. This hands-on experience provided valuable insights that will be instrumental in the project work of the final year students. The trip not only enhanced their understanding of real-world geological phenomena but also equipped them with practical skills crucial for their academic and professional development.

- **Orientation session for S1 students**

The Department of Geology decided to conduct an orientation session for first-year BSc Geology students to familiarize them with the field. This session aims to introduce the students to key geological concepts, fieldwork techniques, and the academic journey ahead. By providing an overview of what to expect in their studies, the department hopes to prepare and inspire new students for a successful academic experience in geology
