## ANNUAL REPORT 2020-21

As the 2020-2021 academic year comes to an end, we reflect on the grace of the Almighty, guiding us through every stride at Sahya Arts and Science College. Owned and managed by the Sahya Cooperative Society Ltd (Reg No.M862), our institution is committed to educational excellence, striving to excel in cultivating academic brilliance. Founded in 2013, the college promptly gained affiliation with the University of Calicut.

### OUR VISION

- To become an exemplary institution that delivers intellectual and academic rewards

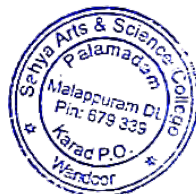

### OUR MISSION

- Ensuring delivery of high-quality education, fostering intellectual growth among our students
- Creating a nurturing and inclusive community, where students, faculty and staff provide a supportive network for academic and personal development
- Embrace lifelong learning and staying abreast of evolving knowledge and skills in an ever-changing world.

### COURSES OFFERED

The college offers a comprehensive selection of 10 affiliated courses, spanning BA English, BA Economics, BSc Chemistry, BSc Psychology, B.Sc Geology, BBA, BCom Computer, BCom Co-operation, BCom Finance, and MCom Finance, MSc Psychology. Furthermore, it provides a variety of Add-on courses across diverse disciplines.

## PARENT TEACHER ASSOCIATION (PTA)

The Parent-Teacher Association (PTA) held a meeting on November 27th, 2020, fostering essential communication between parents and educators. During this session, parents provided valuable input and recommendations, while teachers showcased students' academic progress and achievements. The PTA operates as a cohesive unit, consisting of dedicated individuals devoted to enhancing student well-being and academic excellence. Through their collective efforts, they play a pivotal role in fostering the comprehensive growth of our students. We extend heartfelt gratitude and commendation to the PTA for their unwavering assistance and collaboration.

### ACADEMIC PERFORMANCE

Competitions and academic activities play a crucial role in cultivating a healthy and competitive spirit among students. These activities are organized across various levels, including classroom, college, and intercollegiate stages. Examples of such activities include essay writing, patriotic singing, elocution, public speaking, letter writing, drawing, and photography contests, among others.

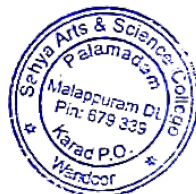

### EXAMINATION AND RESULTS

To assess students' educational progress, a variety of evaluations were implemented, including examinations, seminar presentations, assignment work, and project assessments. After each model examination, PTA meetings were organized, allowing the class teacher to meet individually with parents and students to discuss strategies for improving academic performance. Each department also conducted motivation classes, seminars, and training programs tailored to current needs. As a result, our students consistently achieve excellent results in university examinations.

### ACADEMIC PERFORMANCE OF STUDENTS

The college consistently achieves commendable results in the university examinations. I would like to extend my congratulations to the students who will be receiving awards for their academic excellence.

The Department of economics is involved many academic activities that keeps on engaging and helping our students to achieve their academic goals. The department has economic students association in which all academic programmes will be organized by the students through which they can developed their potential and find interesting thing about subjects apart from class room learning.

### ACTIVITIES OF THE DEPARTMENT

- ADD ON COURSE

The Department of Economics introduced One add on coursers for the students of the department of Economics during the academic year 2020-2021. The Add on course title "Economic planning and NIDIAYOG". The course coordinator was Mohammed Ibrahim KT, Assistant Professor Department of Economics and was coordinated by Prasanth PV HOD department of Economics.

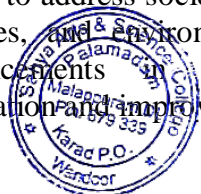

- WEBINAR

The Department of Economics conducted a Webinar on 15/09/2020. The topic " Lock Down And Kerala Economy: Some Socio Economic Reflection" Presided by Prof. Tomas Mathew Principal Sahya college.

## DEPARTMENT OF CHEMISTRY-ANNUAL REPORT (2020-2021)

The Graduate Department of Chemistry at Sahya arts and science College was established in the academic year 2016-17 with 25 students. The scope and vision of chemistry encompass understanding the composition, structure, properties, and transformations of matter. Its scope ranges from the microscopic world of atoms and molecules to the macroscopic world of materials and substances. Chemists seek to uncover the fundamental principles governing chemical reactions and use this knowledge to address societal challenges, such as developing new materials, medicines, energy sources, and environmental solutions. The vision of chemistry involves leveraging advancements in technology, collaboration, and interdisciplinary approaches to drive innovation and improve the quality of life for current and future generations.

With a deep sense of contentment and gratitude to the God Almighty for showering his abundant blessings upon all the department endeavors, we present the fifth annual report of the Department for the academic year 2020-2021. We are happy to present the achievements and the progress we have made during the last year to improve our academic offerings and students' learning experiences. Concisely, it was a year filled with lot many new threats, challenges and opportunities in its real sense.

## ACTIVITIES OF THE DEPARTMENT

- INDUSTRIAL VISIT

B.Sc. Chemistry final year students visited Ernad latex Pvt Ltd, Chemmaram Naduvath, Kerala, on

27/02/2021 on Saturday at 10.00am. Ms. Arunima K.Y (Assistant Professors, department of Chemistry) accompanied the group. This industry was registered in 2008 (mainly focusing on the production of latex) from natural and is senex (60% centrifuged. rubber latex. Ms.Sushama introduced about the functioning of this unit. Natural rubber latex is received in barrels from different farmer and is subjected to chemical analysis for quality measurements. As measurements, DRC, VFA, NH analysis part of quality and Mg content are tested. After that centrifugation is done and 60% centrifuged latex is produced. The processing unit is followed by a water treatment section, where both chemical and biological treatments are done to make waste water free from pollutants. It was one day visit.

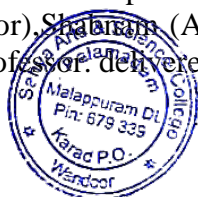

- THIRD YEAR BSc. CHEMISTRY PROJECT

BSc, chemistry final year students done their project work as review of various papers. Students were grouped in to three and done project in different problems. They are assisted by Ms.Arunima KV, Ms.Shabnam and Ms.Rinu Jacob. One of the groups reviewed the study of physical and chemical parameters of water samples and another group evaluated on application of Poly Methyl Methacrylate. Other group reviewed on effect of seasonal variations on rubber latex.

- OZONE DAY OBSERVATION

'LIVING UNDER A RENTED ROOF' Ozone day observation was conducted on 16/09/2020 in association with department of chemistry. There was a talk by Dr.Mehar, Al Minnath, Assistant Professor Department of Chemistry, DGMMES Mampad College.
