## ANNUAL REPORT (2019-2020)

The 2019-2020 academic year at Sahya Arts and Science College draws to a close, marked by the grace of the Almighty guiding us through every step. Our institution, under the ownership and management of the Sahya Cooperative Society Ltd (Reg No.M862), is dedicated to excellence in education, aiming to lead in nurturing and fostering academic eminence. Established in 2013, the college swiftly affiliated with the University of Calicut.

### OUR VISION

- To become an exemplary institution that delivers intellectual and academic rewards

### OUR MISSION

- Ensuring delivery of high-quality education, fostering intellectual growth among our students
- Creating a nurturing and inclusive community, where students, faculty and staff provide a supportive network for academic and personal development
- Embrace lifelong learning and staying abreast of evolving knowledge and skills in an ever-changing world.

### COURSES OFFERED

The college provides a diverse range of 10 affiliated courses, including BA English, BA Economics, BSc Chemistry, BSc Psychology, B.Sc. Information Technology, BBA, BCom Computer, BCom Co-operation, BCom Finance, and M. Com Finance. Additionally, it offers various Add-on courses across different disciplines.

### STAFF & STUDENTS

The effectiveness of an educational institution hinges on the synergy between its teachers and students. At Sahya Arts and Science College, our faculty consists of highly qualified, knowledgeable, and compassionate educators who are passionate about imparting their subject expertise to our students.

## INFRASTRUCTURE FACILITIES

- **Classrooms:** Sahya Arts and Science College boasts 29 well-equipped classrooms, including 12 ICT-based rooms, furnished with fans, lighting, and ample seating arrangements for students.
- **Seminar Hall:** Our institution features a meticulously arranged seminar hall with comfortable seating, projector facilities, whiteboards, and other essential amenities.
- **Auditorium:** A well-equipped auditorium serves as a venue for various events and gatherings within the college.
- **Restrooms:** We prioritize student comfort by providing sufficient restrooms for both male and female students.
- **Computer Lab:** Our fully furnished computer lab houses 16 computers, catering to the technological needs of our students.
- **Psychological Lab:** To support the study of psychology, we maintain a well-equipped psychological laboratory for our students.
- **Library:** Sahya Arts and Science College hosts a commendable library, featuring a well-furnished hall and an extensive collection of resources, including over 5924 books, periodicals, supplements, bound volumes, CDs, DVDs, and more.
- **Playground:** The college provides a standard-sized playground to facilitate the physical training and recreational activities of our students.

## PARENT TEACHER ASSOCIATION

On August 8<sup>th</sup>, 2019, the Parent-Teacher Association convened, fostering an essential dialogue between parents and educators. Parents shared valuable feedback and suggestions, while teachers reciprocated by showcasing the academic progress and improvements made by the students.

The PTA serves as a cohesive unit, comprising individuals dedicated to enhancing student welfare and academic achievement. Their collaborative efforts contribute significantly to the holistic development of our students. We extend our heartfelt gratitude and congratulations to the PTA for their unwavering support and cooperation.

## ACADEMIC PERFORMANCE

Competitions and academic activities play a crucial role in cultivating a healthy and competitive spirit among students. These activities are organized across various levels, including classroom, college, and intercollegiate stages. Examples of such activities include essay writing, patriotic singing, elocution, public speaking, letter writing, drawing, and photography contests, among others.

## EXAMINATION AND RESULTS

To assess students' educational progress, a variety of evaluations were implemented, including examinations, seminar presentations, assignment work, and project assessments. After each model examination, PTA meetings were organized, allowing the class teacher to meet individually with parents and students to discuss strategies for improving academic performance. Each department also conducted motivation classes, seminars, and training programs tailored to current needs. As a result, our students consistently achieve excellent results in university examinations.

## Curricular Activities

Curricular activities in the English department at college allow students to apply theoretical knowledge, promote critical thinking and creativity, develop communication skills, and contribute to a holistic educational experience, preparing them for future academic pursuits or careers in English language and literature.

In the academic year 2019-2020, the Department of English at Sahya College conducted a series of curricular activities to enhance students learning experience. These activities included assignments designed to foster critical thinking and analytical skills, along with revision classes to reinforce key concepts covered in the curriculum. Regular test papers and internal exams were administered to assess students' comprehension and progress. For sixth semester students engaged in project work, allowing them to delve deeper into specific topics and apply theoretical knowledge to practical situations. Internal viva examinations were conducted to evaluate students' understanding and presentation of their project findings. Through these activities, the Department of English aimed to provide students with a well-rounded education and prepare them for academic and professional success in the field.

- **Add On Course**

In addition to its regular curriculum, the Department of English at Sahya College offered supplementary courses tailored for first and second-year students during the 2019- 2020 academic year. These courses aimed to complement students' foundational knowledge in English language and literature by focusing on specialized topics such as creative writing, English language proficiency, and literary analysis.

- **Project for Sixth Semester**

During the sixth semester of the academic year 2019 -2020 the English department undertook a diverse range of projects aimed at enhancing students' academic and professional development. These projects encompassed various aspects of language and literature, including research, analysis, and creative expression. Students engaged in intensive research endeavors, delving into topics ranging from literary criticism to sociolinguistics.

- **Revision, Assignments, Viva and Internal Exam**

Throughout the academic year 2019-2020, the English department conducted revision classes, assignments, internal exams, and project vivas, dynamic and enriching learning environment. These activities were meticulously planned and executed to enhance students' comprehension and critical thinking skills while nurturing their passion for language and literature. Through rigorous assessments and interactive sessions, students were equipped with the necessary tools to excel academically and prepare for future endeavors. The department's commitment to academic excellence and innovation ensured that students received comprehensive education and support in their English studies.

## CO-CURRICULAR ACTIVITIES

- Departmental Tour

➤ Study Tour for Sixth Semester Students:

The Departmental tour was conducted on 20 December 2019 along with two teachers visited Kodaikanal. Indeed, it was a trip that shows togetherness and created a good feeling among the students. It was two days trip. We reached back at college at 3.30 to 22 December.

- Cultural Events

During the academic year 2019-2020 Sahya College hosted a variety of cultural events, including arts exhibitions showcasing students' talents, sports tournaments promoting physical activity and teamwork, and festive celebrations such as Onam and Christmas, embracing cultural diversity. The college day was marked with grand ceremonies to recognize student achievements and contributions, fostering a sense of community. Additionally, Eid celebrations highlighted inclusivity and unity among students from different backgrounds, enhancing the college's vibrant cultural atmosphere

The English Department's annual report reflects a year of significant achievements and growth. Through dedicated efforts, we have advanced our curriculum, a dynamic learning environment, and nurtured a community of passionate learners. Our commitment to excellence in teaching, research, and engagement has yielded tangible results, evident in the academic successes of our students and the impactful contributions of our faculty. As ensuring that the English Department continues to thrive and inspire in the years to come

## 5. DEPARTMENT OF CHEMISTRY

The Graduate Department of Chemistry at Sahya Arts and Science College was established in the academic year 2016-17 with 25 students. The scope and vision of chemistry encompass understanding the composition, structure, properties, and transformations of matter. Its scope ranges from the microscopic world of atoms and molecules to the macroscopic world of materials and substances. Chemists seek to uncover the fundamental principles governing chemical reactions and use this knowledge to address societal challenges, such as developing new materials, medicines, energy sources, and environmental solutions. The vision of chemistry involves leveraging advancements in technology, collaboration, and interdisciplinary approaches to drive innovation and improve the quality of life for current and future generations. With a deep sense of contentment and gratitude to the God Almighty for showering his abundant blessings upon all the department endeavors, we the Third annual report of the Department for the academic year 2019-20. We are happy to present the achievements and the progress we have made during the last year to improve our academic offerings and students' learning experiences. Concisely, it was a year filled with lot many new threats, challenges and opportunities in its real sense.

## ACTIVITIES OF THE DEPARTMENT

- **Industrial Visit**

Third year Chemistry students undergone for their industrial visit as part of their curriculum. They visited CFSC- common facility service center, Manjeri, a training center of govt. of Kerala for rubber-based products manufacturing on 7th, 29th and 30th August 2019. The students undergone training in latex based product manufacturing like rubber band, gloves, rubber mat, Ballons, rubber bush etc. They also aqinted with various testing machines and lab equipment related to various rubber product testing.

- **Flood Relief Aid**

The faculty members of Chemistry, Maths and Physics visited the home of Mr. Arshad S5 student, which was collapsed during the flood in August 2019. The team consoled the Arshad's kins and handed over Rs:10,000/- (Ten thousand only) as department financial assistance to his mother.

- **Chemistry Association Inauguration and AQUA Exhibition**

Chemistry association (2019-2020) was inaugurated in a function conducted on 18/10/2019. Chief guest was Mr. Sajeesh, chief chemist, Quality control district lab, Kerala water authority, Malappuram. A seminar was also conducted as part of this, on the topic 'DHMO, a dangerous chemical'. An 'AQUA EXPO' was also organized as part of this.

- **THIRD YEAR BSC. CHEMISTRY PROJECT**

Third-year students conducted project work in reputed laboratories outside the college: one group analyzed water quality parameters at the analytical laboratory of Kerala Water Authority, guided by Mr. Sajeesh, Chief Analyst, Malappuram, while another group studied seasonal variations of latex production at Eranad Latex Factory under the guidance of Ms. Sushama, Analyst.

- **Study Tour**

The Final year BSc Chemistry and second year students undergone a tour programme to Idukki and neighboring places. 3-day tour started on 29/12/2019. Ms. Saritha, Ms. Arunima and Mr. Hashir accompanied students.

- **Add On Course**

The Department of Chemistry Conducted two add on course programs for the students of the department of Chemistry during the academic year of 2019-20. The add on course titled Volumetric Analysis was provided for students of First year Students. The course coordinator was Arunima K.V., Assistant Professor, Department of Chemistry. The add on Course: Polymer processing and Rubber technology was provided to the students of Second year Chemistry. The course coordinator was Arunima K.V., Assistant Professor, Department of Chemistry
